● **Sherman Way Development Concepts Workshop**

On February 1st, many individuals attended this workshop and were shown 5 plans for the properties on the south side of Sherman Way, between Etiwanda and Lindly that are currently owned by the CRA/LA and CIM Group.

These plans were devised as possible scenarios that a marketing survey identified as possibilities. Those that attended were asked to comment and make suggestions about the presented plans or other ideas. If you were unable to make it to the meeting, but would like to add your two cents to the pot, send them to us and we will forward them to CRA/LA
