January 2012

HAPPY NEW YEAR

CHAIR REPORT FOR 2011

Delivered by Cary Iaccino to the Reseda NC Board on December 16.

In May 2010, 14 people, including myself, were elected to positions of public service to the Reseda Community. Since that time, some of us still remain; others of you have joined us along the way. And hopefully, next year, some of our terms of service will be completed. As volunteers, we get out of the Neighborhood Council what we put in, and fortunately for Reseda, you Board Members have contributed quite a lot in 2011.

It is true that the position of Chair entitles me to preside over meetings and focus the broader board agenda. Yet, more importantly, it also affords me the opportunity to serve you on the Board. Even though my time available to work for and with you is not infinite, I will never decline to meet and/or speak to each and every one of you when the goal is bettering Reseda.

Through many challenges, including the further reduction of our NC budget, we have been able to continue on a path of accomplishment.

In the calendar year 2011, the Reseda Neighborhood Council has to various degrees involved itself in a number of worthwhile community projects. We have voted on a whole host of items. I have compiled a list of many of the items we worked on, participated in, funded and/or just showed up for:

- ◆ Working with Councilman Zine's Office and multiple NCs on organizing and hosting a Senior Symposium
- ◆ Organized a Reseda Business Mixer partnering with the ShopLA initiative to begin building business relationships locally
- ◆ Co-hosted an emergency training with the American Legion Hall preparing Reseda Stakeholders
- ◆ Participating in the 2nd annual Relay for Life in Reseda raising funds to fight cancer
- ◆ Worked with the CRA and Street Services to allocate funding for the Sherman Way center median redesign project.
- ◆ Discussed sober living home issues and their impacts on Reseda Stakeholders
- ◆ Took positions on the City's animal ordinance proposal, the pending plastic bag ban and various Planning and Zoning decisions in Reseda
- ◆ Organized the Crebs LAPD memorial walk project consisting of cleaning and establishing a walking path along 1/2 mile of the Aliso Creek wash
- ◆ Contributed \$9000 to trimming trees in the Reseda downtown business district and partnered with Councilman Zine and Revitalize Reseda to get this project completed
- ◆ Manned a booth and supported the West Valley YMCA healthy kids day
- ◆ Rewrote the entire RNC bylaws to adapt to the City's required template and clean up various parts of our governing rules
- ◆ Purchased graffiti watch signs for distribution to Reseda businesses
- ◆ Discussed and took a position on the reduction of LAFD services which includes loss of assets at Reseda Station 73
- ◆ Put forward a recommendation to the City's Redistricting Commission on Reseda's district location
- ◆ Upgraded our outreach efforts with improvements to the RNC website and increase in our email Constant Contact toolbox
- ◆ Hosted community meetings where Stakeholders could listen and ask questions of LA Councilman Zine, State Assemblyman Blumenfield and LA City Attorney Trutanich
- ◆ Purchased banners for use in year round outreach efforts in Reseda
- ◆ Organized and participated in 2 anti-bullying events with one in Reseda and the other in Tarzana
- ◆ Hosted the Great Mulch Giveaway 1 with support from Councilman Zine, dispersed 7 tons of mulch to Stakeholders
- ◆ Organized the Reseda Clean Team beta-testing of a city issues reporting App for smart phones, resulting in an average of over 100 problems reported monthly
- ◆ Supported and participated in the LAPD West Valley National Night out in Reseda
- ◆ Established the Spend \$25 on the 25th program in Reseda promoting the spending of your money locally
- ◆ Hosted the Great Mulch Giveaway 2 with support from Councilman Zine. Added a citrus tree giveaway with the help of the Mayor's Million Tree initiative by giving 220 trees to Stakeholders
- ◆ Manned a booth and supported the Reseda Resource Fair put on by Revitalize Reseda, Councilman Zine and the West Valley LAPD
- ◆ Purchased and dispersed graffiti wipes for use by Stakeholders in Reseda to help keep the community graffiti free.

RIDE RESEDA

The last Ride Reseda bike ride of 2011 explored Lake Balboa Park via the Orange Line. Activities included riding around the lake, scaring a few ducks, and a quick stop at the Farmers Market on Victory where Juan Guzman made the acquaintance of a certain fish taco. Perhaps most significantly, and to illustrate one of the key reasons for the ride, Reseda Riders discovered a home-made Holiday Water Show on the front lawn of Reseda Resident Rex Danyluk at 6511 Yarmouth near Kittridge. We highly recommend everyone swing by between 6pm and 9pm during the holidays to view this unique display.

Rides will begin again following the New Year. While we will continue to explore Reseda via different streets, 2012 will see more destination-oriented trips, with planned stops. Future rides may include trips to the following: CSUN, Canoga/Owensmouth Historical Sepulveda Dam Recreation Area, Pierce College, and Shadow Ranch Park. And, yes, eventually to the top of "Mt. Reseda", the Southernmost point of Reseda, South of Ventura Blvd.

Rides begin at 9:00 am behind the Reseda NC Office - 18341 Sherman Way #102. Helmets are suggested (mandatory for riders or passengers under 18). Bring water and eat a good breakfast! For more information, contact Hank Truxillo at hank.truxillo@gmail.com

ANNENBERG SCHOOL OF NURSING ACCEPTING APPLICATIONS

The Annenberg School of Nursing (ASN), a vocational nursing program, is currently accepting applications for the class beginning June 2012. The school will hold Open House informational events beginning January 10th.

A program of the world-renowned Los Angeles Jewish Home, the ASN program is designed to prepare students for the NCLEX-PN® licensing examination. The 12-month, full-time program includes classroom and skills lab instruction as well as clinical training at local hospitals and other sites. ASN offers small class size, low tuition, and federal financial aid in addition to deferred and interest-free loans for those who qualify.

The Annenberg School of Nursing is accredited by the Board of Vocational Nursing and Psychiatric Technicians (BVNPT) and Accrediting Bureau of Health Education Schools (ABHES).

The Open House events will include an overview of the program with director Marie Fagan and financial aid information with Barbara Noblet, financial aid director. Tours of the ASN

facility, including skills lab, computer center, and library, will also be given. Faculty and current students will be on hand to answer questions. Refreshments will be served. The events are open to potential students as well as high school counselors and healthcare professionals.

EVERYONE WINS AT RESEDA TOY DRIVE

Reseda businesses were given a great opportunity to reconnect on Tuesday, December 13. Revitalize Reseda partnered with the Woodland Hills-Tarzana Chamber of Commerce to jump start Reseda businesses by hosting a Chamber Mixer/Toy Drive at the American Legion Post #308. Their collaborative efforts sparked over 100 attendees and over 200 toys for active duty military families this holiday season. Business owners benefited from the opportunities for their business from our "neighbors", a successful and already established Chamber of Commerce. They offer an established networking base for Reseda businesses to benefit from, as well as contacts for future business ventures. Let them help you in these tough economic times! Please visit www.woodlandhillsc.net or phone them at 818-347-4737 for more information.

YOUTH CORNER

POLICE ACADEMY

By Alexi Chidbachian

Leadership, service, and integrity are all the main aspects a young high school student at Reseda High School's Police Academy Magnet needs to learn. Everyday, strictly trained students dressed in a long tucked-in blue blouse and navy blue tie attend school promptly at

8am ready to be educated.

Their main goal is for all of their students to meet the A-G requirements through a disciplined and rigorous academic level intending that all the students graduate and attend a four-year university. They also expose students to an abundance of careers in the field of law enforcement and criminal justice. This law enforcement career program pathway started

due to a partnership between the LAPD and LAUSD. Many of the classes, such as physical education, math and report writing, are taught by LAPD officers. Other classes are taught equally with both a LAUSD teacher and a LAPD officer. Reseda High School is known to for having one of the best PAM programs in the valley.

COMMUNITY ANNOUNCEMENTS

SHOPRESEDA & SPEND \$25 on 25th

Both the SHOPRESEDA and Spend \$25 on the 25th in Reseda Programs continue to grow as more businesses participate. Now over 90 businesses are offering a discount or special price on the 25th of each month.

The SHOPRESEDA Card program is only 1 month old and about 500 SHOPRESEDA Cards have been issued and more than 30 Reseda establishments are offering their special prices or discounts every day of the month. Both programs are designed to encourage YOU the consumer to spend some of your hard earned dollars in the Reseda Community rather than take the extra time and fuel to travel to a neighboring community.

Spending your money locally means that about \$.45 of every \$1.00 returns to the community in tax dollars, wages, resupply of merchandise and supplies etc. Most of all it supports the local businesses that have not fared well in our down economy.

Below is a list of current businesses that are participating in the SHOPRESEDA Card program. Most will also issue YOUR SHOPRESEDA Card after you fill out a short form. Each form comes with 2 cards that are numbered the same for 2 people.

◆ WELCOME NEW BUSINESSES

Each month, we welcome new businesses to our Reseda business community. It is important to them, as well as our community that they succeed. They help to provide more jobs, and in addition if they resupply in part from other businesses in our community, that “multiplier effect” helps Reseda to improve.

Be sure to say hello and welcome the following businesses to our community.

CHAIR’S REPORT

(Continued from page 1)

- ◆ Proposed and supported the plan for a Reseda Centennial Park and Community Garden at Satocoy and Strathern Street
- ◆ Supported and attended Children’s Day at Woodley Park
- ◆ Funded RNC outreach banners at the St. Catherine’s Fall Festival
- ◆ Hosted a Business Mixer/Social Media Workshop free to local businesses to help them expand their e-outreach and drive local customers to their businesses
- ◆ Worked with American Express and ShopLA hosting a Small Business Saturday press conference in Reseda touting our ShopReseda initiative
- ◆ Held an Art in Numbers event with Continental Art Supply and the 11:11 Creative Collective to promote local business, local artists and the spend \$25 on the 25th program in Reseda
- ◆ Established the ShopReseda Card, printed and distributed to local businesses to encourage Stakeholders to buy in Reseda
- ◆ Participated in the San Fernando Valley Veterans Parade by attending and assisting with street closure costs
- ◆ Discussed and made recommendation

regarding the Westfield Village project at the Warner Center

- ◆ Provided funding for the LA Neighborhood Council Congress and had more than half our Board attend and participate
- ◆ Discussed the West Valley LAPD camera program delays
- ◆ Handed out thousands of balloons to children at the myriad of community events the RNC attended
- ◆ Attended the Reseda Police Academy Boosters Holiday Boutique and participated with an outreach booth
- ◆ Allocated funding for emergency radios to be used in Reseda when the need arises

Some of the other ongoing efforts that the Board commits itself to and follows through on a reoccurring basis are:

- ◆ Assembling and delivering 8000 copies of a monthly newsletter
- ◆ Emailing over 2000 Stakeholders a weekly community news email
- ◆ Attending and conducting outreach at local events with events staffed by Board Members
- ◆ Conducting Bi-monthly Board Meetings where we give the Reseda Stakeholder a place to bring their concerns and pursue solutions

- ◆ Updating and maintain our current website and other social media

I truly believe that all of this is positive and made possible by all of you as elected volunteers and Stakeholder participants. The money the City provides helps, but is not what makes the neighborhood council successful or worthwhile, the volunteers do. As long as there are persons such as yourselves, taking ownership of your community, good things will happen. The Reseda Neighborhood Council is simply a powerful organizing tool that helped us meet each other and allows us to work together.

With this in mind, I would once again ask for you to join me in laying the foundation for a productive 2012. I would recommend to the Board that we focus a large part of our energies next year on the 100 year anniversary of Reseda. This is a once in a century event, and I urge all potential ideas be centered around this celebration.

In 2012, let’s continue to give the City of Los Angeles and our Councilman, infallible advice and recommendations on what the Stakeholders of Reseda want.

With all this in mind, I look forward to January, when we can all jump on the bandwagon of getting things done in Reseda, let’s make next year the most productive of our Board yet.

COMMUNITY ANNOUNCEMENTS

REDISTRICTING

Every ten years when the United States census is completed and becomes available to the City of Los Angeles, the L.A. City Charter requires that the L.A. City Council districts be redrawn as necessary to comply to the City, State, and Federal guidelines and requirements. Our Council District, CD 3, has grown in population since the 2000 Census and will require the commission to make adjustments to the currently existing boundaries. To find out more about the L.A. City Council Redistricting Commission and see the schedule of meetings visit their official site at: <http://redistricting2011.lacity.org/>

The Reseda Neighborhood Council, on Satur-

day Dec. 17, 2011, recommended to the Redistricting Commission that the Community of Reseda be contained in only one L.A. City Council District, preferably in Council District 3 in which it currently resides. Reasons for this recommendation included a desire to maintain currently formed Neighborhood Council boundaries, consideration of Community Redevelopment Agency ongoing projects in Reseda, currently thriving business redevelopment efforts, longstanding strong working relationships with local officials, and vital projects centered around the Los Angeles River Revitalization Master Plan.

What are your thoughts about redistricting? Feel free to contact us at: chairperson@resedacouncil.org
